

Hello MYSA Members,

I would like to introduce myself as MYSA's Insurance Broker/Risk Manager. As a MYSA member there are insurance benefits that extend over to your clubs, coaches, and players.

- 1. Secondary Accident Medical Coverage: This extends to players and coaches **while playing in or practicing for a MYSA event.** Secondary means that the injured players medical insurance would be primary/first. The limit is 10k with 1k deductible.**
- 2. Liability for renting practice facilities that are being used **while playing in or practicing for a MYSA event provided all players are registered with MYSA.** Certificates can be requested through the MYSA website for no additional fees and typically take 1-2 business days.**
- 3. Abuse & Molestation Liability coverage for registered coaches and players **while playing in or practicing for a MYSA event.****

To clarify, these benefits do not extend to tournaments, leagues, and events outside of MYSA/USYS unless a Travel Permit has been issued or a non-USYS event is approved prior to participation inside or outside of Missouri.

It is very important for Clubs to review their own policies to protect directors & officers, board members, coaches, players, property, etc. beyond the liabilities covered by MYSA.

I would be happy to work with your club on getting the proper coverage.

Please give me a call with any questions, 636-675-1359
