

Missouri Independent Teams that wish to register with the State Office and are **not** affiliated with any particular club or organization, may do so by using the Independent Team registration. The State Office will issue you your player cards and rosters and effectively become your registrar and manager your roster changes for you.

The cost is \$100 per team. You may register as many teams as you'd like but Missouri Youth Soccer would prefer you apply to be a direct member if you have over four (4) teams.

Players will pay a \$19 registration fee while also completing their other required forms and waivers.

Steps to complete the process:
